Drive

Yellowstone Bear World is a drive-thru wildlife park like no other in the Yellowstone Region. **Here the animals roam freely** in their natural habitat while you view them from the comfort and safety of your vehicle or RV. The wildlife you will encounter include the Rocky Mountain Elk, Bison, Mountain Goats, Mule Deer, Whitetail Deer, Moose and of course American Black Bears and Grizzly Bears.

Bear Sightings Guaranteed!

Adventure

Jurassic Creek at Yellowstone Bear World brings to life over 20 real size dinosaurs and interactive activities. We use the latest in advanced technology to bring these magnificent creatures to life!

This prehistoric experience will transport you back in time!

Alongside our dinosaurs there will be activities for all ages. Dig for fossils, ride on the back of a dinosaur, and so much more. Children and families can roar with happiness! **Included with admission.**

Experience

Amusement Rides

Amusement rides for the kids. Let the kids enjoy a fun ride on our train and a lot more. The fun doesn't stop!

Included with paid admission

Petting Zoo

During your visit be sure to experience our one of a kind petting zoo with animals of all kinds.

Included with paid admission

Bottle Feed

Bottle-feeding bear cubs is a once in a lifetime experience.

This is a very popular event among our visitors. There is usually room for you and your family to help feed the baby bears, however, we cannot guarantee you a space. Sign-ups for bottle-feeding are accepted by phone, during your visit, or the best option is to purchase online at our website.

Wildlife Excursion

The Wildlife Excursion gets you and your family up close and personal with the wildlife of the park to **experience the amazing animals.** During the tour the experienced guide will enlighten you with great animal facts and educational information about the wildlife. This optional tour departs frequently throughout the day so advanced reservations are not accepted or necessary.
